ARTICLE III

GRIEVANCE PROCEDURE

1. A. Definitions:

2.

3. 1. A "grievance" is a claim based on any of the provisions of
4. this Agreement and/or past common practice resulting from an event
5. or condition which affects the welfare and/or terms and conditions
6. of employment of a teacher or group of teachers and/or the interpre-
7. tation, meaning or application thereof.

8.

9. 2. An "aggrieved person" is the person or persons making the
10. claim.

11.

12. 3. A "party in interest" is the person or persons making the
13. claim and any person who might be required to take action or against
14. whom action might be taken in order to resolve the claim.

15.

16. 4. The term "school days" shall include days school is in
17. session during the regular school term, September through June, and
18. all non-national holiday weekdays, Monday through Friday, during
19. June, July and August.

20.

21. B. Purpose:

22.

23. 1. The purpose of this procedure is to secure, at the lowest
24. possible level, equitable solutions to the problems which may from
25. time to time arise affecting the welfare or terms and conditions of
26. employment of teachers. Both parties agree that these proceedings
27. will be kept as informal as is mutually agreeable and confidential
28. at every level of the procedure.

29.

30. 2. Nothing herein contained shall be construed as limiting the
31. right of any teacher or group of teachers having a grievance to dis-
32. cuss the matter informally with any appropriate member of the adminis-
33. tration, and having the grievance adjusted without intervention of
34. the Association, provided the adjustment is not inconsistent with the
35. terms of this Agreement.

36.

37. C. Procedure:

38.

39. 1. Since it is important that grievances be processed as
40. rapidly as possible, the number of days indicated at each level should
41. be considered as a maximum and every effort should be made to expedite
42. the process. The time limits specified may, however, be extended by
43. mutual agreement.

44.

45. 2. Level One

46.

47. A teacher or group of teachers with a grievance shall first
48. discuss it with his or their immediate supervisor or appropriate
49. member of the administration, either directly or through the Associa-
50. tions Negotiations Committee, with the objective of resolving the
51. matter informally.

ARTICLE III

52. C. Procedure (Continued)

53.

54. 3. Level Two

55.

56. If the aggrieved person or group of persons is not satisfied
57. with the disposition of his grievance at Level One, or if no decision
58. has been rendered within (5) five school days after the presentation
59. of the grievance, for further consideration, he must file the grievance
60. in writing with the Chairman of the Association's Negotiations Com-
61. mittee within five (5) school days after the decision at Level One or
62. ten (10) school days after the grievance was presented, whichever is
63. sooner. If the Negotiations Committee determines that the grievance
64. is meritorious, for further consideration, it must submit the griev-
65. ance to the Superintendent of the School District within five (5)
66. school days after receiving the written grievance.

67.

68. 4. Level Three

69.

70. If the aggrieved person or group of persons is not satisfied
71. with the disposition of his grievance at Level Two, or if no written
72. decision has been rendered within ten (10) school days after the griev-
73. ance was delivered to the Superintendent, for further consideration,
74. he must within five (5) school days after a written decision rendered
75. by the Superintendent, or fifteen (15) school days after the grievance
76. was delivered to the Superintendent, whichever is sooner, request in
77. writing that the Chairman of the Negotiations Committee submit his
78. grievance to the Board. If the Negotiation Committee determines that
79. the grievance is meritorious for further consideration, it must submit
80. the grievance for the Board within fifteen (15) school days after re-
81. ceipt of a request by the aggrieved person or group of persons.

82.

83. 5. Level Four

84.

85. (a) If the aggrieved person or group of persons is not
86. satisfied with the disposition of his grievance at Level Three, or if
87. no written decision has been rendered within ten (10) school days
88. after the grievance was delivered to the Board, for further considera-
89. tion, he must within five (5) school days after a decision reduced to
90. writing by the Board or fifteen (15) school days after the grievance
91. was delivered to the Board, whichever is sooner, request in writing
92. that the Chairman of the Negotiation Committee submit his grievance to
93. arbitration. If the Negotiation Committee determines that the griev-
94. ance is meritorious for further consideration, it must submit the
95. grievance for arbitration within fifteen (15) school days after re-
96. ceipt of the request by the aggrieved person.

97.

98. (b) Within ten (10) school days after such written
99. notice of submission to arbitration, the Board and the Negotiations
100. Committee shall attempt to agree upon a mutually acceptable arbitra-
101. tor and shall obtain a commitment from said arbitrator to serve. If
102. the parties are unable to agree upon an arbitrator or to obtain such
103. a commitment within the specified period, a request for a list of
104. arbitrators may be made to the American Arbitration Association by
105. either party. The parties shall then be bound by the rules and
106. procedures of the American Arbitration Association in the selection
107. of an arbitrator.

ARTICLE III

108. C. Procedure (continued)

109.

110. (c) The arbitrator so selected shall confer with the repre-
111. sentatives of the Board and the Negotiations Committee and hold hearings
112. promptly and shall issue his decision not later than twenty (20) days
113. from the date of the close of the hearings or, if oral hearings have been
114. waived, then from the date the final statements and proofs on the issues
115. are submitted to him. The arbitrator's decisions shall be in writing and
116. shall set forth his findings of fact, reasoning, and conclusions on the
117. issues submitted. The arbitrator shall be without power or authority to
118. make a decision which requires the commission of an act prohibited by law
119. or which is violative of the terms of this Agreement. The decision of the
120. arbitrator shall be submitted to the Board and the Association and shall
121. be final and binding on the parties.

122.

123. (d) The costs for the services of the arbitrator, including
124. per diem expenses, if any, and actual and necessary travel, subsistence
125. expenses and the cost of the hearing room shall be borne equally by the
126. Board and the Association. Any other expenses incurred shall be paid by
127. the party incurring the same.

128.

129. D. Rights of teachers to representation:

130.

131. 1. Any party in interest may be represented at all stages of the
132. grievance procedure by himself or at his option by a representative from

134. be used for representation when it is so indicated on the written grievance
135. or mutually agreed to by both parties.

136.

137. 2. No reprisals of any kind shall be taken by either party, Board
138. and/or representatives or Association and/or representatives, against any
139. party in interest or other participant in the grievance procedure by
140. reason of such participation.

141.

142. E. Miscellaneous:

143.

144. 1. Following Level One the Negotiations Committee may process a
145. grievance through all levels of the grievance procedure even though the
146. aggrieved person or group of persons does not wish to do so.

147.

148. 2. Decisions rendered at Levels Two, Three, and Four of the griev-
149. ance procedure shall be in writing setting forth the decision and the
150. reasons therefor and shall be transmitted promptly to all parties in
151. interest and to the Chairman of the Negotiations Committee. Decisions
152. rendered at Level Four shall be in accordance with the procedures set
153. forth in Section C, paragraph 5 (c) of this ARTICLE.

As a duly selected body exercising governmental power under color of law of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 303, Public Laws 1968 or other Laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, his participation in any activities of the Association and its affiliates, collective negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- 17.
18. B. Nothing contained herein shall be construed to deny or restrict to any teacher, administrator, or Board member such rights as he may have under New Jersey Laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

40. In like spirit, any question or criticism of an administrator should first be made in the same manner.

ARTICLE V

PERSONAL AND ACADEMIC FREEDOM

2. B. The Board and the Association agree that teachers will be entitled to full rights of citizenship, and no religious or political activities of any teacher outside of school, or the lack thereof will be grounds for any disciplinary action or discrimination with respect to the professional employment of such teacher, providing they do not violate the Constitution of the United States.
3. C. The Board and the Association agree that academic freedom is essential to the fulfillment of the purposes of the school system, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue truth in the performance of their classroom functions. Accordingly, the Board and the Association agree that:
 4. 1. The nature of American democracy requires that citizens be able to listen to all sides of a controversial issue, sort out the facts, and arrive at independent conclusions. Students in school, therefore, have a right to be exposed to issues which are within their intellectual grasp and are under current debate in our society.
 5. 2. This right of students imposes certain obligations upon the Board, the teachers, the administration, and the community.
 6. 3. The Board will attempt through its policies to employ capable teachers, supply them with the necessary teaching materials, and maintain an atmosphere of academic freedom in the school.
 7. 4. Teachers as individuals through their councils, committees, departments, and faculties, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board of Education.
 8. 5. The community has a right to expect that controversial issues will be presented in a fair and unbiased manner and to communicate through proper channels to the Board if convinced that they are not.
